

## RUSA's List of Best Free Websites of 2012 (—and times past)

January 8, 2013

Some 'best of' lists focus on the coolest apps, the most amazing new programs to clean up your hard drive, or the best free music radio sites.

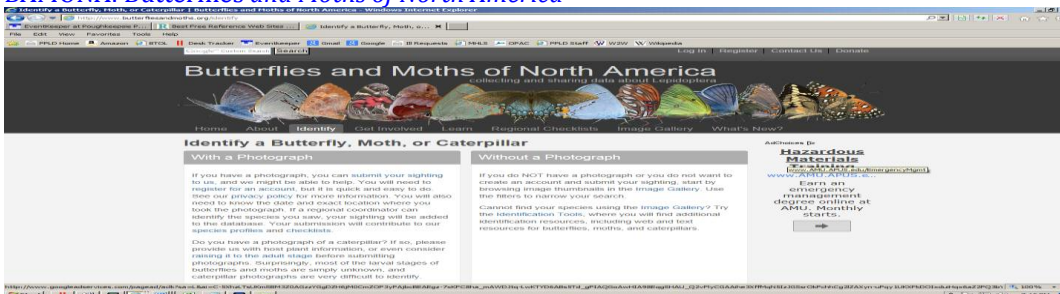

Deemed by a jury of our peers (ALA's Reference and User Services List Association —aka RUSA) to be helpful, these resources will take you to Websites filled with information, and just waiting to help you answer your patrons' questions. From the somewhat frivolous "Adviews: A Digital Archive of Vintage Television Commercials", to the more scholarly "Trans Atlantic Slave Trade Database". From the silly to the sublime—they're in here- to help the librarians of America find interesting facts.
