New York State Doctor Profiles

October 25, 2011

When a patron asks you for information about a doctor's credentials, and they practice medicine in New York State, you can suggest they use this site from the New York State Department of Health.

<http://www.nydoctorprofile.com/>

You can find profiles for all licensed doctors of medicine and doctors of osteopathy who are registered to practice medicine in New York State.

Each profile includes the following information;

- Information about the doctor's medical education
- Which Board Certification(s) the physician obtained, and their expiration dates
- Information about legal actions taken against the doctor (If any...)
- Information about whether languages other than English are spoken in the office

NEW YORK STATE

Welcome to the **New York State Physician Profile** Web site. Here you will find profiles for all licensed doctors of medicine and doctors of osteopathy who are registered to practice medicine in New York State. A profile is information about the doctor. This information can help you choose a doctor or find out more about a doctor you go to now.
