It's SAT Prep Time

November 29, 2011

It's SAT prep time. If all of your study guides are out, don't forget about Gale's Testing and Education Reference Center. Once on the main site, click on **College Prep Tools** and select **SAT**. The snapshot below is the page you will see.

Remember that patrons will need to register on the site in order to receive the full benefit of what's offered including practice tests and scores.

New offerings in this area of the site include a new online prep course.

The screenshot shows a Mozilla Firefox browser window displaying the 'SAT Prep' page of the Gale Testing & Education Reference Center. The browser's address bar shows the URL: http://www.nelnetsolutions.com/terc/TercHubPage.aspx?sponsor=2088&HubPage=TERC_SAT_HUB. A search bar is located to the right of the menu. The main content area is titled 'SAT Prep' and includes several sections:
