MOLLY FISCHER,
HARPER'S

“ A loose, baggy monster, full of irrelevant garbage and needless words — and all the richer for it — the book implicitly makes an argument for what a twenty-first-century novel might be ... In Batuman’s view, integrating the new and the familiar, the personal and the canonical, is precisely what the novel ought to do. But this integration isn’t simply an intellectual process; it’s what happens in all coming-of-age stories ... As idiosyncratic Hungarians continue to materialize, it begins to feel as though Batuman is giving us an object lesson in distinguishing between the tastefully modest craft of fiction and the ungainly ambition of literature ... Batuman is virtuosic in articulating the internal workings of this moment. Her compassion for

WHAT THE REVIEWERS SAY

DAVID
MASCIOTRA,
SALON

“ In *A Really Big Lunch*, Harrison directly addresses some of his favorite topics, dropping much of the lyricism from his prose, to write at his most fun. Like a discoverer with the pirate flag flying from his mast, he is excited to share the secrets of his loot. Even when he is operating in full wine snob mode, he is a joy to read ... The intimacy and enthusiasm of Harrison’s food correspondent style makes reading *A Really Big Lunch* feel like sitting at a table during a really big lunch with the best, and smartest, and most entertaining of friends ... almost a radical manifesto for Epicurean hedonism; an argument for a feast, in every sense, against the teetotalers bragging about the length ... He manages to convince, with nearly every sentence, that the worst sin and most offensive crime is to leave anything left on the plate when it is time to leave the table.”
