

Tuesday's Tip

information provided by Adriance Memorial Library to make your life a little bit easier

August 22, 2017

Need a personal proofreader for your emails or documents?

Grammarly is a free online proofreading tool that can be added to your web browser (Chrome, Firefox or Safari) or word processing software to improve your writing. Sign up for your free account by entering your name, email and a password. It checks for more than 400 types of spelling, grammar, and punctuation errors. Let's write! www.grammarly.com

Choose the Apps you would like to install.

Grammarly Apps

 **Grammarly for Chrome**
Grammarly's free browser extension helps you write mistake-free in Gmail, Facebook, WordPress, LinkedIn, and anywhere else you write on the Web.

 **Grammarly for Microsoft® Office**
If you prefer to write documents using Microsoft® Word, then installing Grammarly's add-in is a must. As a bonus, this add-in also integrates with Outlook™ to help you ensure your emails are grammatically correct before you hit send.
[Learn more](#) Install

 **Grammarly for Windows**
Grammarly's native app will be right at home on your desktop. Access your documents or start a new project with one simple click.

Once installed on your computer

the Grammarly icon will appear as a small 
at the upper corner of your browser window
or at the right on the tool bar of
Microsoft Word.

Catch more mistakes in your email or Word documents!
