

Tuesday's Tip

information provided by Adriance Memorial Library to make your life a little bit easier

Pixlr

July 24, 2018

[Pixlr](#) is a great online image and photo editor that can do many of the things Photoshop does. It can handle everything from cropping an image to adding additional layers and inserting text or applying filters. If you want to get your feet wet before diving into Photoshop or you just need to manipulate an image on the fly Pixlr is your tool.

✕

PIXLR EDITOR
