

Patron Complaints

The Library District aims to provide the highest levels of satisfaction and service to its patrons while recognizing that occasionally a patron may wish to make a complaint. A library patron is encouraged to start by making his or her complaint on an informal, verbal basis to a library staff member. If the patron chooses not to make a verbal complaint, or feels that the complaint does not lend itself to informal resolution, the patron should request and complete a Patron Complaint Form.

The library director, or their designee in the absence of the director, will review the completed Complaint Form and provide a response and/or attempt to resolve the complaint within ten business days of receiving it. If the patron is not satisfied with the response provided by library staff and/or the director decides that the situation warrants the input of the Board of Trustees, either or both parties may bring the written complaint to the board's attention.

A patron may also request to address the Board of Trustees at a regular monthly meeting of the board. The board will respond to said complaint within ten business days of receiving written notification of the complaint or within ten business days of a board meeting at which the complainant appeared. The Board will take any further remedial action warranted by the particular circumstances. The decision of the Board of Trustees with respect to a complaint will be considered final.
