Tuesday’s Tip

Google Street View Chronology Feature

September 4, 2018

In Google Maps street view feature there is the option to revert to prior street views if the Google camera crew has been through the area more than once.

Here is the google maps page for the Poughkeepsie area...
For more information or other reference and collection development assistance, call the Reference & Information Desk at Adriance Memorial Library at (845) 485-3445 x 3702 or (800) 804-0092 x 3702.

Grab the yellow figure icon on the bottom right and drop it on one of the blue highlighted streets to get a street view....

Here is the intersection near Marist College with a newly built dormitory structure.
For more information or other reference and collection development assistance, call the Reference & Information Desk at Adriance Memorial Library at (845) 485-3445 x 3702 or (800) 804-0092 x 3702.

On the upper left side click the date. In this example “Sep 2017”...

Another picture of the area (or multiple) may appear from previous times the street camera has recorded the area...click one if it’s available.
And here is the street view that was recorded on April of 2012 before the building was finished!

Here is a fun example to play with. Click on this picture of a playground to go to the street view link and then scroll through the street views!
For more information or other reference and collection development assistance, call the Reference & Information Desk at Adriance Memorial Library at (845) 485-3445 x 3702 or (800) 804-0092 x 3702.

Or click this picture and scroll through to see a staircase to the Walkway replace a billboard!
