Useful Websites You've Never Heard of Before

December 18, 2018

The internet is a vast place full of websites to waste countless hours but it also holds some extremely helpful websites!

[AGoodMovietoWatch](#)

Ever been so overwhelmed by the movie selection on your streaming services that you give up and watch nothing? This website can give you suggestions based on your viewing preferences and will even suggest movies based on who you wish to watch the movie with! Each movie suggestion comes with a brief synopsis as well as which streaming service currently runs the movie.

[ComputerHope](#)

This site has a comprehensive list of all the computer keyboard shortcuts. Save time and energy with these shortcuts!

[FillerItem](#)

Need to spend a little bit more on your Amazon order to qualify for free shipping? This website will give you suggestions of items you can purchase that are that exact amount.

[PDFEscape](#)

This website allows you to edit a PDF or PDF form for free online without using specific software.

[Pixabay](#)

Pixabay is an easy resource to find royalty-free images.

[Skyscanner](#)

This website is an easy way to search for the cheapest airfare, hotels, and rental cars. It allows you to create price alerts for your specified travel destinations. More adventurous travelers can find really great deals for immediate trips.

[Supercook](#)

Not sure what to make for dinner? Don't want to have to go to the grocery store for ingredients? This website gives you easy recipes based on the ingredients you already have at home.
