

Tuesday's Tip

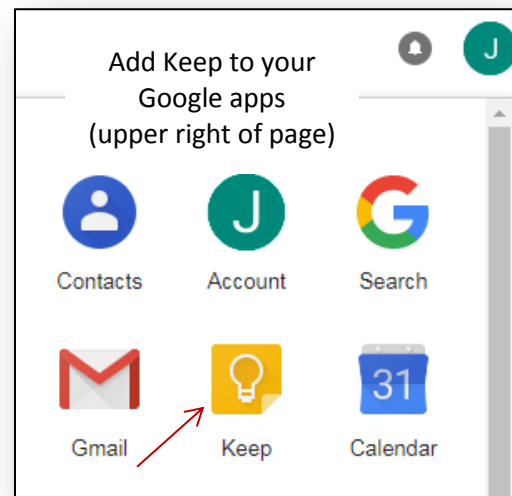

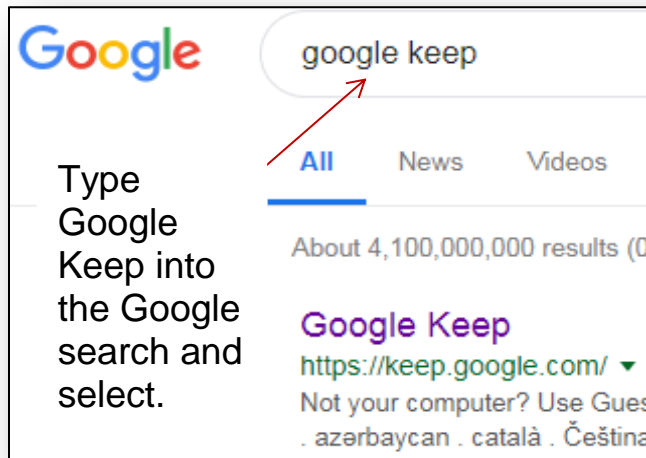

information provided by Adriance Memorial Library to make your life a little bit easier

Google Keep

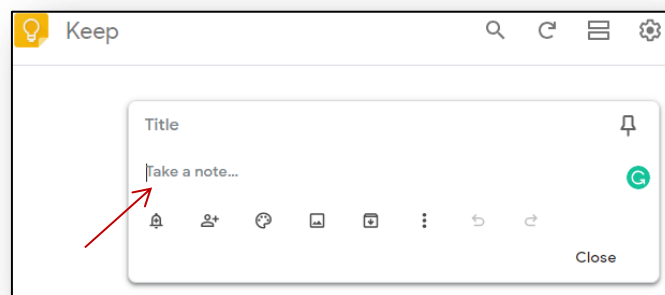

January 22, 2019

Who doesn't like using sticky notes to keep track of important tasks? Google Keep is a notetaking app that can be easily added to your Google chrome browser or as an app for Android® and Apple® iOS® devices. Let's get organized!

<https://keep.google.com/>

Take a note ...

Name your note, type, and change colors. Keep notes on your desktop or phone!
