Elections 2019 and Early Voting

In January, 2019, New York State approved several voting reforms, including the establishment of early voting. While the dates are the same throughout the state, details may differ from county to county. From the website of the League of Women Voters:

- Early voting allows you to vote in person at a poll site within your county for nine (9) days, beginning Saturday, October 26 and continuing through Sunday, November 3.
- You do not need to have a reason or excuse to vote early.
- The poll sites for early voting will not necessarily be your usual poll site location.
- Each county will determine where the poll sites for early voting will be and the hours each site will be open for voting.

This tip contains links to election details for the counties in the Mid-Hudson service area, as well as other links for registration and voting.

Sites for Boards of Elections can contain helpful information such as:

- Sample ballots
- Absentee ballot applications
- Registration information
- Polling place lookup
- Election results

Election Dates 2019

- Early voting dates: October 26 to November 3, 2019
- General Election Day: November 5, 2019
