

Tuesday's Tip

information provided by Adriance Memorial Library to make your life a little bit easier

Recalls.gov

July 7, 2015

Recalls.gov is an easy-to-remember gateway site to other Federal Government sites with recall and product safety information. Use the sites to obtain recall information, report a dangerous product, or learn safety tips.

www.Recalls.gov Your Online Resource for Recalls

Consumer Products | Motor Vehicles | Boats | Food | Medicine | Cosmetics | Environmental Products

Recent Recalls To provide better service in alerting the American people to unsafe, hazardous or defective products, six federal agencies with vastly different jurisdictions have joined together to create www.recalls.gov -- a "one stop shop" for U.S. Government recalls.

Search for Recalls Follow the tabs above to obtain the latest recall information, to report a dangerous product, or to learn important safety tips.

[Privacy and Security Notice](#). This site is provided as a resource for federal recalls. Please direct questions about specific recalls to the appropriate agencies listed above. Questions about this web site can be directed to webteam@cpsc.gov

Select the type of recall you are interested in

From this site you can access the Consumer Product Safety Commission for:

The **U.S. Consumer Product Safety Commission (CPSC)** has jurisdiction over more than 15,000 kinds of consumer products used in and around the home, in sports, recreation and schools including:

- appliances
- furniture
- lighting / lighter
- clothing
- household
- outdoor
- electronic / electrical
- children's products
- sports / exercise

Or the National Highway Traffic Safety Administration for motor vehicle recall information:

The [National Highway Traffic Safety Administration \(NHTSA\)](#) of the U.S. Department of Transportation provides recall information including vehicle and equipment campaigns from 1966 to present. The campaigns include motor vehicle products which experienced a safety-related defect or did not comply with federal motor vehicle safety standards:

- motor vehicles & related equipment
- child safety seats
- tires

Or the FoodSafety.gov site for food recalls:

[FoodSafety.gov](#) provides the latest information on all food recalls and alerts as well as food illness outbreaks

- [Food Recalls and Alerts](#)
- [See Recent Recalls](#)
- [Sign Up for Free Recall Updates by Email](#)

Or the Food and Drug Administration for medicine and cosmetics recalls:

The [Food and Drug Administration \(FDA\)](#) has jurisdiction over recalls involving the following:

- drugs
- medical devices
- blood and plasma products
- vaccines
- other biologics
- veterinary products
