Town Hall Project

May 9, 2017

The Town Hall Project has a simple mission: to list town halls and other events where constituents can meet and engage with their federal elected representatives (members of the House of Representatives and the Senate).

From the main screen you can search for town halls by zip code or you can zoom in on the map:

If you scroll down, you can search by:

- Name of member of Congress
- Political party
- State
- Type of event
 - Town Hall
 - Office Hours
 - Ticketed Event
 - Tele-Town Hall
 - Empty Chair Town Hall
 - DC Event
 - All

Upcoming Events

Town Hall - A forum where members of Congress give updates on the current affairs of Congress and answer questions from constituents
Office Hours - Serves the same purpose as a Town Hall, however Elected Officials are not always expected to attend
Ticketed Event - Oftentimes county party events, local fundraisers, or campaign functions. There may be a fee for admission.
TeleTown Hall Meeting - A town hall conducted by conference call.
DC Event - Event held in the MOC's DC Office.
