Helpful Gift Wrapping Tips

It’s that time of year again. You have found the perfect gifts for all of your friends and family. Now you have to make them look even more special. But not all of us are great at wrapping up presents. Maybe you are the sort of person who ends up with paper cuts all over, ripping your paper into shreds, not enough tape, too much tape, and just making a mess of everything? Here are some tips to help you get it right!

Pro-Tips:
- Have all of your tools handy, scissors, tape, paper, ribbon, etc.
- Wrap on a hard and flat surface, clear off your dining table or hardwood floor
- Place odd shaped gifts into boxes or containers
- Cut your paper to fit your gift
- Remove all price tags before you wrap
- If you run out of paper, get creative! Try newspaper, magazines, sheet music, outdated roadmaps.
