2021 Reading Challenge on Goodreads  January 12, 2021

Happy New Year! If one of your resolutions is to read more in 2021, why not use Goodreads to keep track? Every year Goodreads offers users a chance to participate in that year’s reading challenge. Users can set their own goal and Goodreads will help keep you on track!

When a user logs in a book, Goodreads will calculate what percentage of your goal has been met and will let you know how many more books you’ll need to read a week to meet your goal.

You can even keep track of your reading goals over the years.

Happy Reading!
