Spring has sprung in our beautiful valley!

As the fruit trees blossom around us, our local farmers and artisans are busily prepping for the summer season. We are lucky to have such a robust and vibrant small farms community in our region, so let's make the most of it by supporting our local farmers anywhere we can. See below for a list of farmer's markets that will be opening soon. Many have some COVID specific guidelines and restrictions in place, so be sure to check for details before you go!
