Welcome to Your Library - Celebrate National Library Week with PPLD!  

April 6, 2021

April 4-10, 2021 is **NATIONAL LIBRARY WEEK!**

During the pandemic libraries have been going above and beyond to adapt to the changing world by expanding their resources and continuing to meet the needs of their users. Whether people visit in person or beyond the four walls to attend virtually, libraries offer opportunities for everyone to explore new worlds and become their best selves through access to technology, multimedia content and educational programs ([https://programminglibrarian.org/articles/celebrate-national-library-week-2021-welcome-your-library](https://programminglibrarian.org/articles/celebrate-national-library-week-2021-welcome-your-library)).

This week (and every week) we cordially welcome you to celebrate with the [Poughkeepsie Public Library District](https://www.ppld.org).

RSVP by participating in a scavenger hunt in the library, attending a book discussion, or learning how to use the Libby app by Overdrive (see page 3 of the Rotunda for more information and continue to flip through for an expanded list of programs and events).
