This is my library!

This is the front entrance.

This is the back entrance.

When I get to the library, I go to the second floor.

This is a place
just for kids!

When I arrive to the second floor from the stairs or elevator, I turn left to go to story time at the end of the hall.

I like going to
the library for
story time!
We read, listen to
music, play, and
have lots of fun!

When I'm at story time,
it's important to
remember the rules.
I will follow the rules
because it will make
story time more fun for
everyone!

- **Ears are listening.**
- **Eyes are watching.**
- **Mouth is closed.**
- **Hands on lap.**
- **Feet are still.**

Be a Whole Body Listener

**I love going to story time
and will follow the rules
so I can read and play
with all my friends!**

**If I start to feel
like I need a break,
I can tell whomever
I am with and
we can go to a nice,
quiet place.**

The children's department has books, magazines, and movies that I can borrow.

**There are chairs and
tables in my library!
These are nice, quiet
places to read a book.**

I can use the
computers at
the library!

I know I am always
welcome at the library
and that the librarians
are happy to help me!
