

# Story Time at My Library!

**PP** **POUGHKEEPSIE PUBLIC**  
**LD** **LIBRARY DISTRICT**

**This is my library!**

**Enter**

**Story Time is held  
in a room near the  
Children's Area.**

**I like going to the library for Story Time!  
We read, listen to music, play, and have lots of fun!**

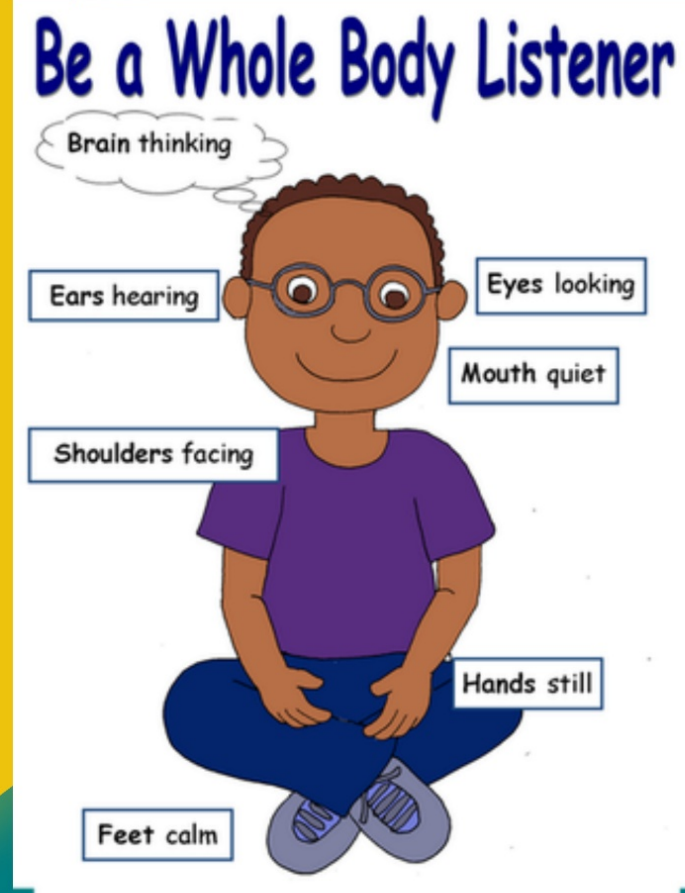

**When I'm at Story Time,  
it's important to  
remember the rules.**

**I will follow the rules  
because it will make  
Story Time more fun for  
everyone!**

## Rules:

- Ears are listening.
- Eyes are watching.
- Mouth is closed.
- Hands on lap.
- Feet are still.

**I love going to Story Time and will follow the rules so I can read and play with all my friends!**

**If I start to feel like I need a break, I can tell whomever I am with and we can go to a nice, quiet place.**

The children's department has books, magazines, and movies that I can borrow.

**There are chairs and tables in my library! These are nice, quiet places to read a book.**

**I can use the  
computers at  
the library!**

**I know I am always  
welcome at the  
library and that the  
librarians are happy  
to help me!**
