Ever wonder what an emoji means that you see in a text or email?

Looking for just the right emoji to put into your communication?

If so, check out the Emojipedia:

https://emojipedia.org/

According to the “About” page:

Emojipedia is a reference site, dedicated to providing up to date and well researched emoji information you can trust. Names displayed on Emojipedia are the official emoji names sourced from the Unicode Standard. Emoji images belong to their respective creators, and we display and archive these for the purpose of commentary and explanation.

From the home page you can search for an emoji or browse from categories:
Click on a category to see a list of applicable emojis:

![Smileys & People](image)

If you click on an emoji name, you can get more details:

![Grinning Face](image)

Emojis, which are pictures, are an evolution from emoticons, which are depictions using characters, as in the original smiley-face :-) . See Wikipedia for more information about emojis and emoticons.
