GasBuddy: Compare Gas Prices in Your Area  

March 15, 2022

With the soaring price of oil and gas, planning your fuel budget is more important than ever. GasBuddy provides users tools to help including: comparison of local gas prices, a trip estimator, a log to track gas consumption, and news on gas-related trends and issues.

Find Gas:

The website’s core feature is its Find Gas function. It allows users to search for gas prices by Zip Code, City, State & Province, or Brand. Searching by State & Province allows users to further specify their search by county and city/town/village:

If you click on details you will see the price for regular, midgrade, premium, and diesel. Users can leave reviews and ratings for the individual station, as well as find a list of features & amenities.
GasApp’s other tools include:

- Gas Price Charts-to keep track of the historical and current price of gas.
- Gas Price Map
- Fuel Demand
- Fuel Insights
- Outage Tracker
- Vehicle Recalls
- Fuel Logbook

How to access GasBuddy:

You can access GasBuddy through their website or through their app, available on App Store and Google Play. In order to maintain digital privacy for your personal data, it is recommended that you limit your use to the browser app or opt out of sharing your location when you download the phone app and choose your settings:
