

THIS IS MY LIBRARY!

Adriance Memorial Library

This is my library!

This is the front entrance.

This is the back entrance.

We park the car in the parking lot and we come inside.

**Let's Go
Inside!**

This is the inside of the library. This is the ground floor.

I see computers, some books, and DVDs for adults.

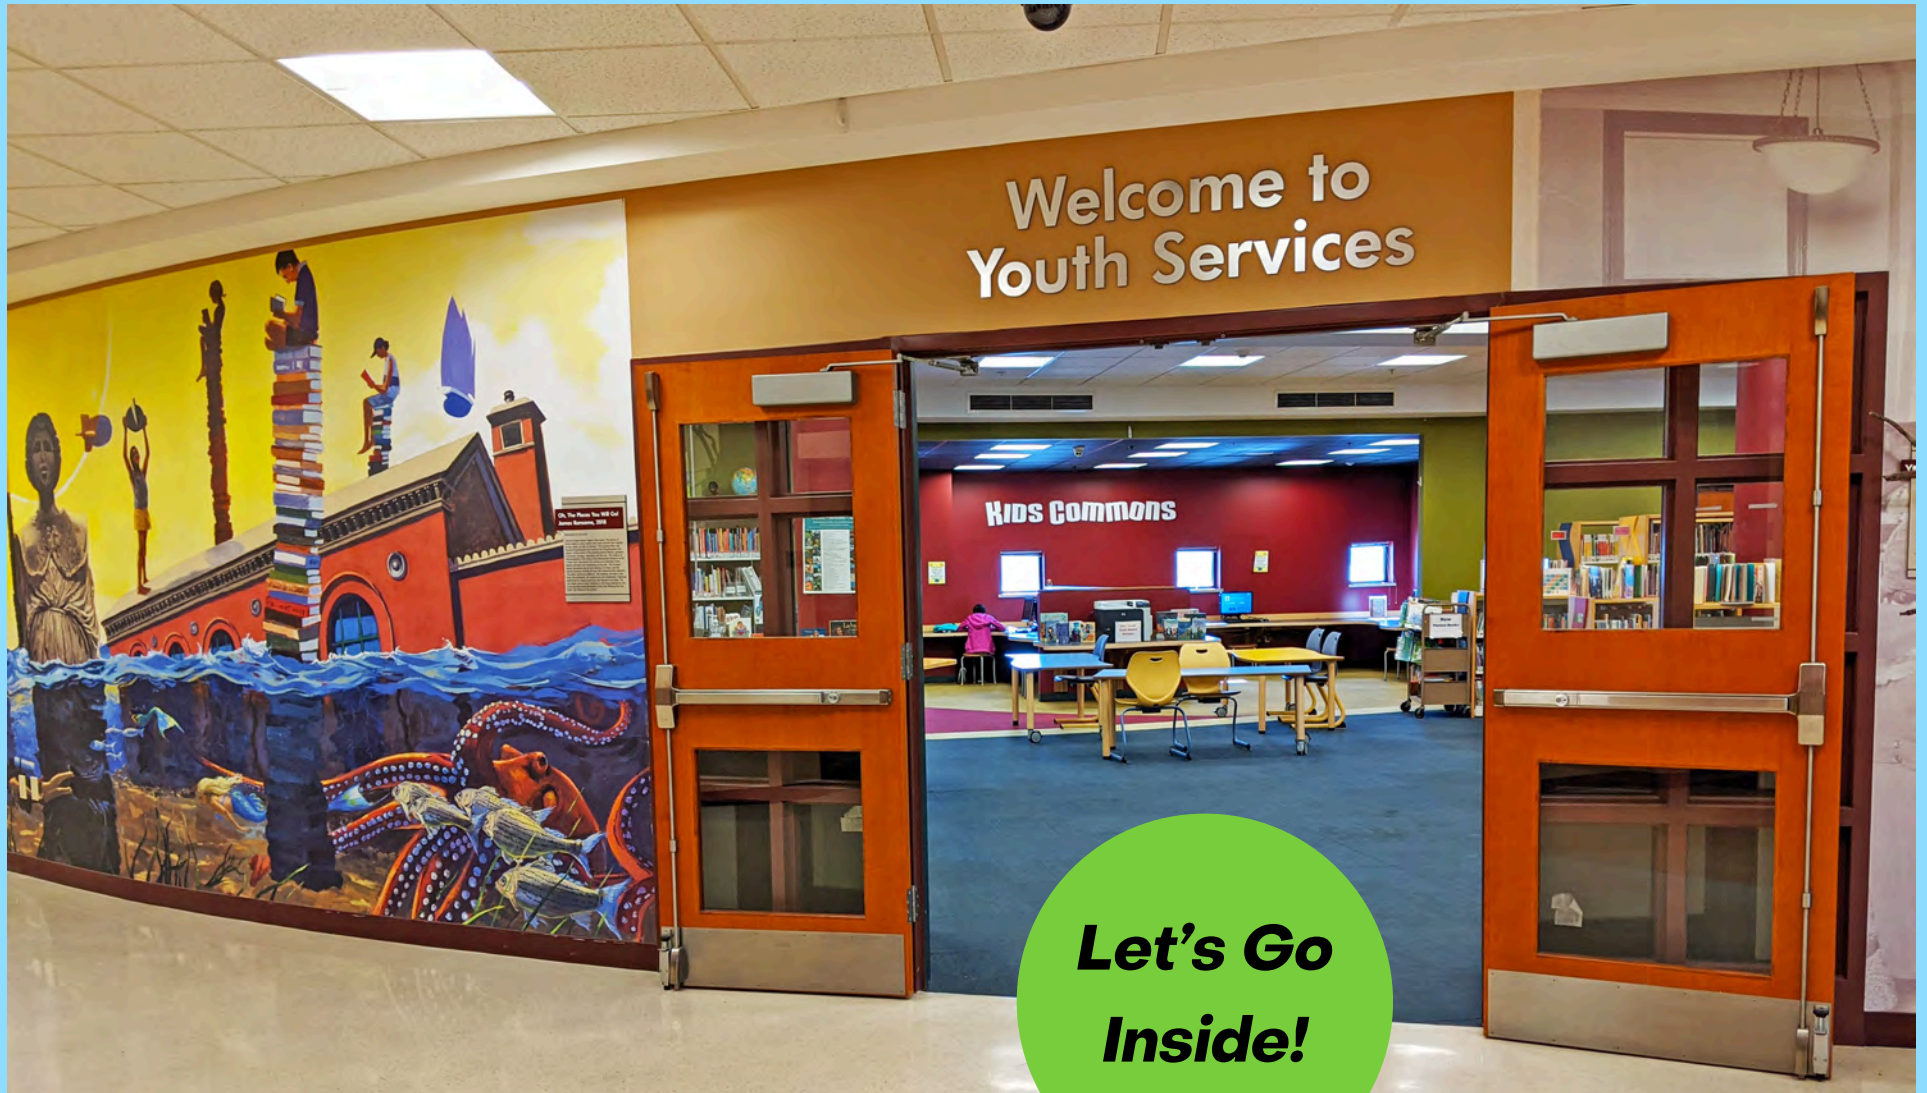

The Check-Out Desk is where I can check out and return the materials I borrow from the library.

I can take the stairs or the elevator to other floors. The Children's Room is on the second floor (2).

This is the entrance to the Children's Room.

***Let's Go
Inside!***

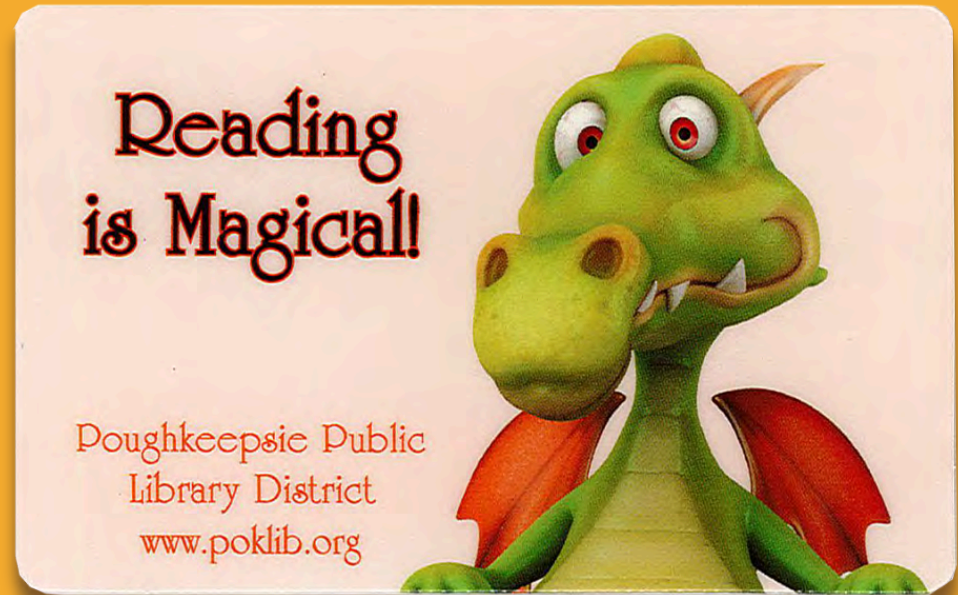

This is the Children's Room Desk.

I can ask the staff questions, get a library card, and check out books there.

These are library cards.

I can get my own library card. I need to bring it with me when I go to the library. The card lets me check out books, movies, and use the computers.

The Children's Department has books, movies, and magazines that I can borrow.

There are games, puzzles, and computers to play with at the library.

There are tables for me to sit and read a book or to play games.

**These are the computers I can use with my library card.
I can use them to do homework and even print out my
homework on the library printer.**

I go to the library to enjoy programs like Story Time and LEGO with the friendly library staff.

**The library has programs like crafts,
reading to dogs, and more!**

I know I am always welcome at the library
and that the staff are happy to help me!
