LIBRARY DIRECTOR REPORT – DECEMBER 2024

Significant Service Changes, Challenges or Accomplishments

- Annual Performance Reviews: Most reviews are complete and "in the books." A couple are still in need to be done.
- Manager Retreat: The manager retreat held on December 6 was considered to be successful and a good of everyone's time. The goal of finding common approaches to any variety of issues was appreciated by departmental managers. Momentum this meeting will continue as we look to implement ideas discussed and to meet again in June to discuss progress and possible changes to established protocols.
- **Trustee Farewells:** This meeting marks that last for retiring trustees Mary Moore (Town) and Chip Hogg (City). Mary has been on the Board since July 2009 whereas Chip has served since July 2021. We will miss them both and thank them for their service to the Library District and its residents.

Service and Program Highlights

- See attached statistics for a review of the metrics we track related to materials checkout and other services and programs.
- See attached manager reports for recent activity.

Outreach and Professional Development

Buildings

- <u>Boardman Road</u>: Nothing of note to report.
- <u>Adriance</u>: Action related to the chillers is requested at the December trustee meeting.

Staffing

• See Personnel Actions, if applicable.

MANAGER'S MONTHLY REPORT

Manager Name and Title: Alison Francis, Youth Outreach Coordinator Department: Youth Outreach Time Period of Report: November 2024

Focus Activity: Class visits at Orville A Todd Middles School in SUFSD

Intended Outcome(s) of Focus Activity: To introduce students to the variety of resources available at the Library

Manager Observations of Activity and Outcomes: Teen Librarian, Kayleigh Hartnett, spent the day visiting 5 sixth grade classes on November 15th at Orville A Todd Middle School within the SUFSD. Ms Hartnett has visited classes at this school in the past and has created a good relationship with the school's librarian with more class visits planned in the coming months of the current school year.

The purpose of Ms Hartnett's visits to the classes included: talking about the variety of resources at the Library's branches, including the bookmobile, as well as how to get a library card.

Ms Harnett gave detailed information about the many online resources available to students including Libby, Hoopla, ScienceFlix, and Transparent Language. She also described the resources and databases available to assist students with their writing.

Impact of Activity: As reported in the SUFSD Superintendent's school newsletter about her visits: "the students came away with an in-depth knowledge of the Library system." Ms Harnett reported the students to be very engaged and asked insightful questions.

We are happy to have deepened our connection with the students within the SUFSD and look forward to future visits with them.

Focus Activity: Dia de los Muertos

Intended Outcome(s) of Focus Activity: To honor the Mexican cultural celebration of Dia de los Muertos, and educate patrons about its history and traditions

Manager Observations of Activity and Outcomes: This year, our Spanish language Librarian Trainee, Elva Margarita Corbaton, worked especially hard on our annual Dia de los Muertos recognition. She once again created two beautiful altars at Adriance, on the ground Floor and by the entrance on Main.

In addition, she partnered with Grupo Folklorico, who created an entirely original Spanish language performance teaching the history of the holiday and sharing the various traditions from different regions in Mexico. After the performance, we shared traditional pan de Muerto and chocolate with attendees. About 120 people came to the Lateef Islam auditorium to attend this event.

Later in November, Elva arranged for filmmaker Dan Sandford to give an english language program discussing the history and traditions of the holiday, this was also well attended.

Impact of Activity: Offering programs in both English and Spanish broadened the scope of who in the community was able to attend and enjoy this year's program offerings. The Grupo Folklorico performance in particular was incredibly well done and they worked hard to create new, original content and costuming just for this library event. I was in attendance as well as some other non Spanish speakers, and even though the program was largely in Spanish, it also included music, dancing and singing that could be enjoyed even if you did not understand everything. We received many compliments from patrons as they exited with their bread & chocolate. Many thanks to Elva Margarita, Felipe Santos, and everyone in Grupo Folklorico!

MANAGER'S MONTHLY REPORT

Manager Name and Title: Michele Muir, Development Officer Department: Communications & Advancement Time Period of Report: November 2024

Focus Activity: Wrap up of the Poughkeepsie Big Read

Intended Outcome(s) of Focus Activity: Comprehensive and inclusive programming and school activity extended into November for the Big Read. At the start of the month, thanks to our promotional efforts and partnership with the Bardavon, we filled the Opera House for the performance of Sweet Honey in the Rock. Sweet Honey's a capella music ensemble had its beginnings in the civil rights movement and the audience was tuned in!

We visited seven elementary and middle schools with picture and chapter-book author Lesa Cline-Ransome. Lesa engaged students by linking her personal story to why she writes histories of lesser-known people of great achievement. Classroom visits ranged from 30-40 students per to an in-person and streaming lecture at Haviland Middle School (Hyde Park).

Finally, there were still books to distribute to a number of schools requesting more copies of a Lesa Cline-Ransome title, or to receive books that were back-ordered. Extra shipments of some of the middle-grade and "little" chapter books that came from publishers at no cost to us were distributed to a few PCSD elementary schools that weren't engaged with the Big Read earlier in the programming.

Manager Observations of Activity and Outcomes: We learned which activities and programs made the greatest impact over October and November. For the 2025 program, we will tweak distribution of books, timelines and our engagement with schools and the community accordingly.

Impact of Activity: Successful Big Read 2024

Intended Outcome(s) of Focus Activity: Each of these activities provides better security or service to patrons or staff by upgrading software, and hardware, as well as an improved patron experience

Manager Observations of Activity and Outcomes: Microsoft 365 will decrease our software footprint while providing a modern user experience, Gmail two factor authentication will be a great and necessary improvement to our account security. Patron user experiences have been improved since portions of their desktops are not hidden behind the PSM which is the Sam Personal Session Manager

Impact of Activity: The changes and updates have helped staff and patrons better utilize their time while working at or visiting the library.

MANAGER'S MONTHLY REPORT

Manager Name and Title: Kristin Charles-Scaringi, Head of Borrower and Technical Services (Librarian III) Department: Borrower and Technical Services Time Period of Report: November/December 2024

Focus Activity: Fully staffing circulation desks at branches, bookmobile, etc.

Intended Outcome(s) of Focus Activity: Provide patrons with reliable customer service

Manager Observations of Activity and Outcomes: Borrower Services: Our new clerks are settling in wonderfully. Our supervising library clerks worked very hard to add the new clerks to the schedule and begin training. All circulation staff members have been very helpful in getting the newer people up to speed. It has paid off! The flexibility of our staff has been important to make sure we provide good customer service to our patrons.

Technical Services: Our staff have been busy working through end-of-the-year processes to get materials on the shelves in a timely manner. In the new year, the supervising library clerk in charge of Technical Services and I will be working toward making sure all tasks are assigned and to determine if any tasks need to be reassigned.

Overall, I met with all staff members, except pages, for a brief one-on-one before filling out evaluations. It was a great opportunity to have those brief conversations with all. I gained valuable insight and had a chance to have the staff get to know me and how I see us moving forward.

Otherwise, we've been working hard to make sure our circulation desk is staffed at all three branches and Rover during the busy holiday and end-of-the-year season.

Impact of Activity: The Borrower and Technical Services Department continues to work together to make sure our patrons' needs are met at the circulation desk.

MANAGER'S MONTHLY REPORT

Manager Name and Title: John Torres- Head of Youth Services Department: Youth Services Time Period of Report: Nov- Dec 2024

Focus Activity: Operation Warm Coat Giveaway

Intended Outcome(s) of Focus Activity: To give free coats to Poughkeepsie families in need

Manager Observations of Activity and Outcomes: On November 9th, the library conducted it's 5th annual Operation Warm event. Operation Warm is a non-profit that partners with organizations to hand out winter coats and shoes to families in need. Our first event was in 2019 when we partnered with Operation Warm and the IATSE Local 311, our first couple of years we were the hosting site with the IATSE providing the funds for the coats. The last few years we have provided the funding ourselves (through the Friends) to make it a sole PPLD event.

This year we purchased 589 winter coats in varying sizes from toddler to adult. We also received hundred of socks from Jonathan McPhee and the Beulah Baptist church, as well as knitted wool hats from a PPLD patron who donates every year. The Nov 9th event we had approximately 200 people come to collect coats, we had enough coats leftover so we did a 2nd event on Dec 10th. The 2nd event we had 285 people come through and we were able to give away the majority of the coats. Whatever remained I donated to the PCSD for an event they were having.

Impact of Activity: This event is always well received by the public and staff/friends/board members are always happy to help out.

For leave due to a serious health condition of the employee, the employee may elect, or the Library District may require, that the employee substitute any accrued paid leave.

- **F**. On return from leave, the employee is entitled to be restored to the position held when leave commenced or to an equivalent position with equal pay, benefits, and other terms and conditions of employment.

The employee does not lose any employment benefit accrued prior to the date on which the leave commenced. But the employee is not entitled to accrue any seniority or employment benefits during the period of leave or any right, benefit, or position other than what they would have been entitled had leave not been taken.

- **G**. The Library District will pay the premiums under any group health plan for the employee at the same level and conditions of coverage that would have been provided had the employee continued employment for the duration of the leave.

APPENDIX B: Leave Allowances for Legacy Hourly and Part-Time Employees

Leave allowances for staff hired prior to October 22, 2022 who are working less than the standard work week. Refer to Article X for definition of standard workday and standard workweek.

- **A.** 4/5 time is defined as twenty-eight (28) hours per week for Librarian and clerical staff and thirty two (32) hours per week for Custodial Staff.
- **B.** 3/5 time is defined as twenty-one (21) hours per week for Librarian and clerical staff and twenty-four (24) hours per week for Custodial Staff.
- **C.** Staff working 4/5 and 3/5 time are defined as full-time employees for all purposes except the accrual of leave time.
- **D.** For convenience, the leave time per year of staff working seventeen and a half (17 ½) hours or less per week has been calculated in hours.
- **E.** Also, for convenience, only the leave time for positions established when this contract was ratified has been calculated. If the regularly scheduled hours of a position are permanently changed, or a new position with different hours is established, the leave allowances for that position shall be determined by calculating the percentage relationship that the hours of the new or changed position have to the hours of a full-time position in the same classification, and applying that percentage to the full-time allowance in each category of leave time.
